THIN-CRETE

Stamped Overlay System

Thin-Crete Stamped Overlay System restores life to existing dull concrete surfaces without the costly expense of removal. With limitless color and pattern combinations, Thin-Crete is the preferred choice for renovating and remodeling any decor or hardscape. And Thin-Crete is as durable as it is beautiful! With a surface strength greater than plain concrete, a sealed Thin-Crete overlay provides a low maintenance, stain-resistant surface ideal for both residential and commercial application.
